# LETTERS FOR PEACE

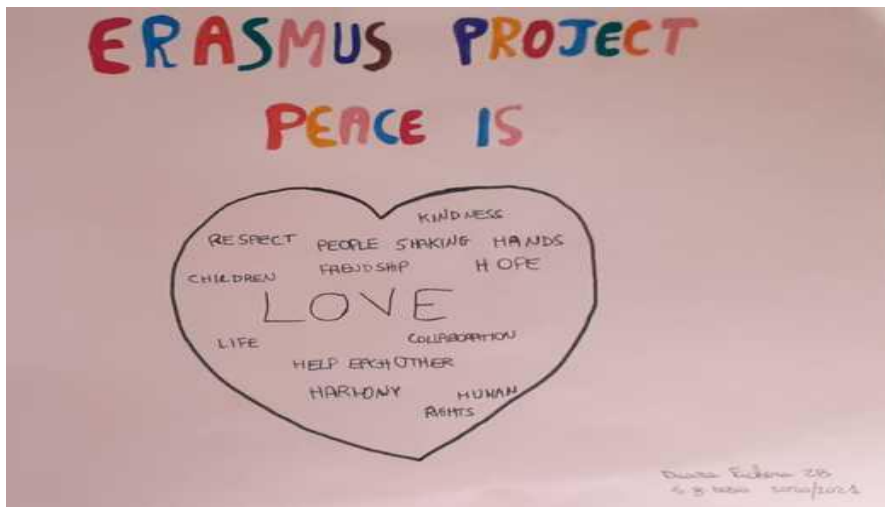

Mr. President,

My name is Paula, I'm 13 years old and I live in Harlau, Iasi County. I'm writing this letter to you because I want to express my wish to have peace in the entire world.

I want to see friendly people, people who help each other and talk to each other, people who work together and find solutions together to all the problems that might come in our life. We don't need war, fights or argues.

That's why I think we need a new law in order to establish peace in the world: all conflict issues should receive harsher punishments for people, to make them understand that we should create a more peaceful world. I hope you can accept my request.

With all my respect,  
Paula

 *Mr. President,* 

My name is Teodora Boghiu and I'm 13 years old. I'm writing this letter to you to make you aware of my concern: people talk a lot, but they act so little when in difficult times. I think the world would be a better place if we act when it's the high time and we respect some important rules:

- let's not be jealous of those around us;
- to accept each person as he or she is;
- to give smiles, hugs to people;
- to be polite to the elders and to people;
- to be there for each other.

In order to have a better world, we need to banish envy, sadness and all the bad feelings that people have. Let's all get involved and make a better world!

Best regards,  
Teodora

⇒ *Mr. President,* ⇐

My name is Ema Comandaru and I'm a pupil in the 7<sup>th</sup> grade.

I'm writing this letter to you in the name of all my classmates to tell you that we want to live in a better world, where there is peace and people live in harmony, where there are no wars and where we are all happy.

The Romanian people are not involved in a war, but if it happens this, please have a look upon us and take the best decisions in order to stop it. There is no need to have people suffering in the world.

Let's make a better and a happier world!

Best regards,Ema

Dear Spiderman,

My name is Iulian Isac and I'm a pupil in the 5<sup>th</sup> grade C.

I watched you in every movie where you were the main character and I have always admired your courage and the perseverance with which you defended all the good and helpless people.

I think that the world needs your help and it would be great if you were alive! Maybe that's a way to stop the war between people.

Perhaps, those eager for war would think twice before endangering the world.

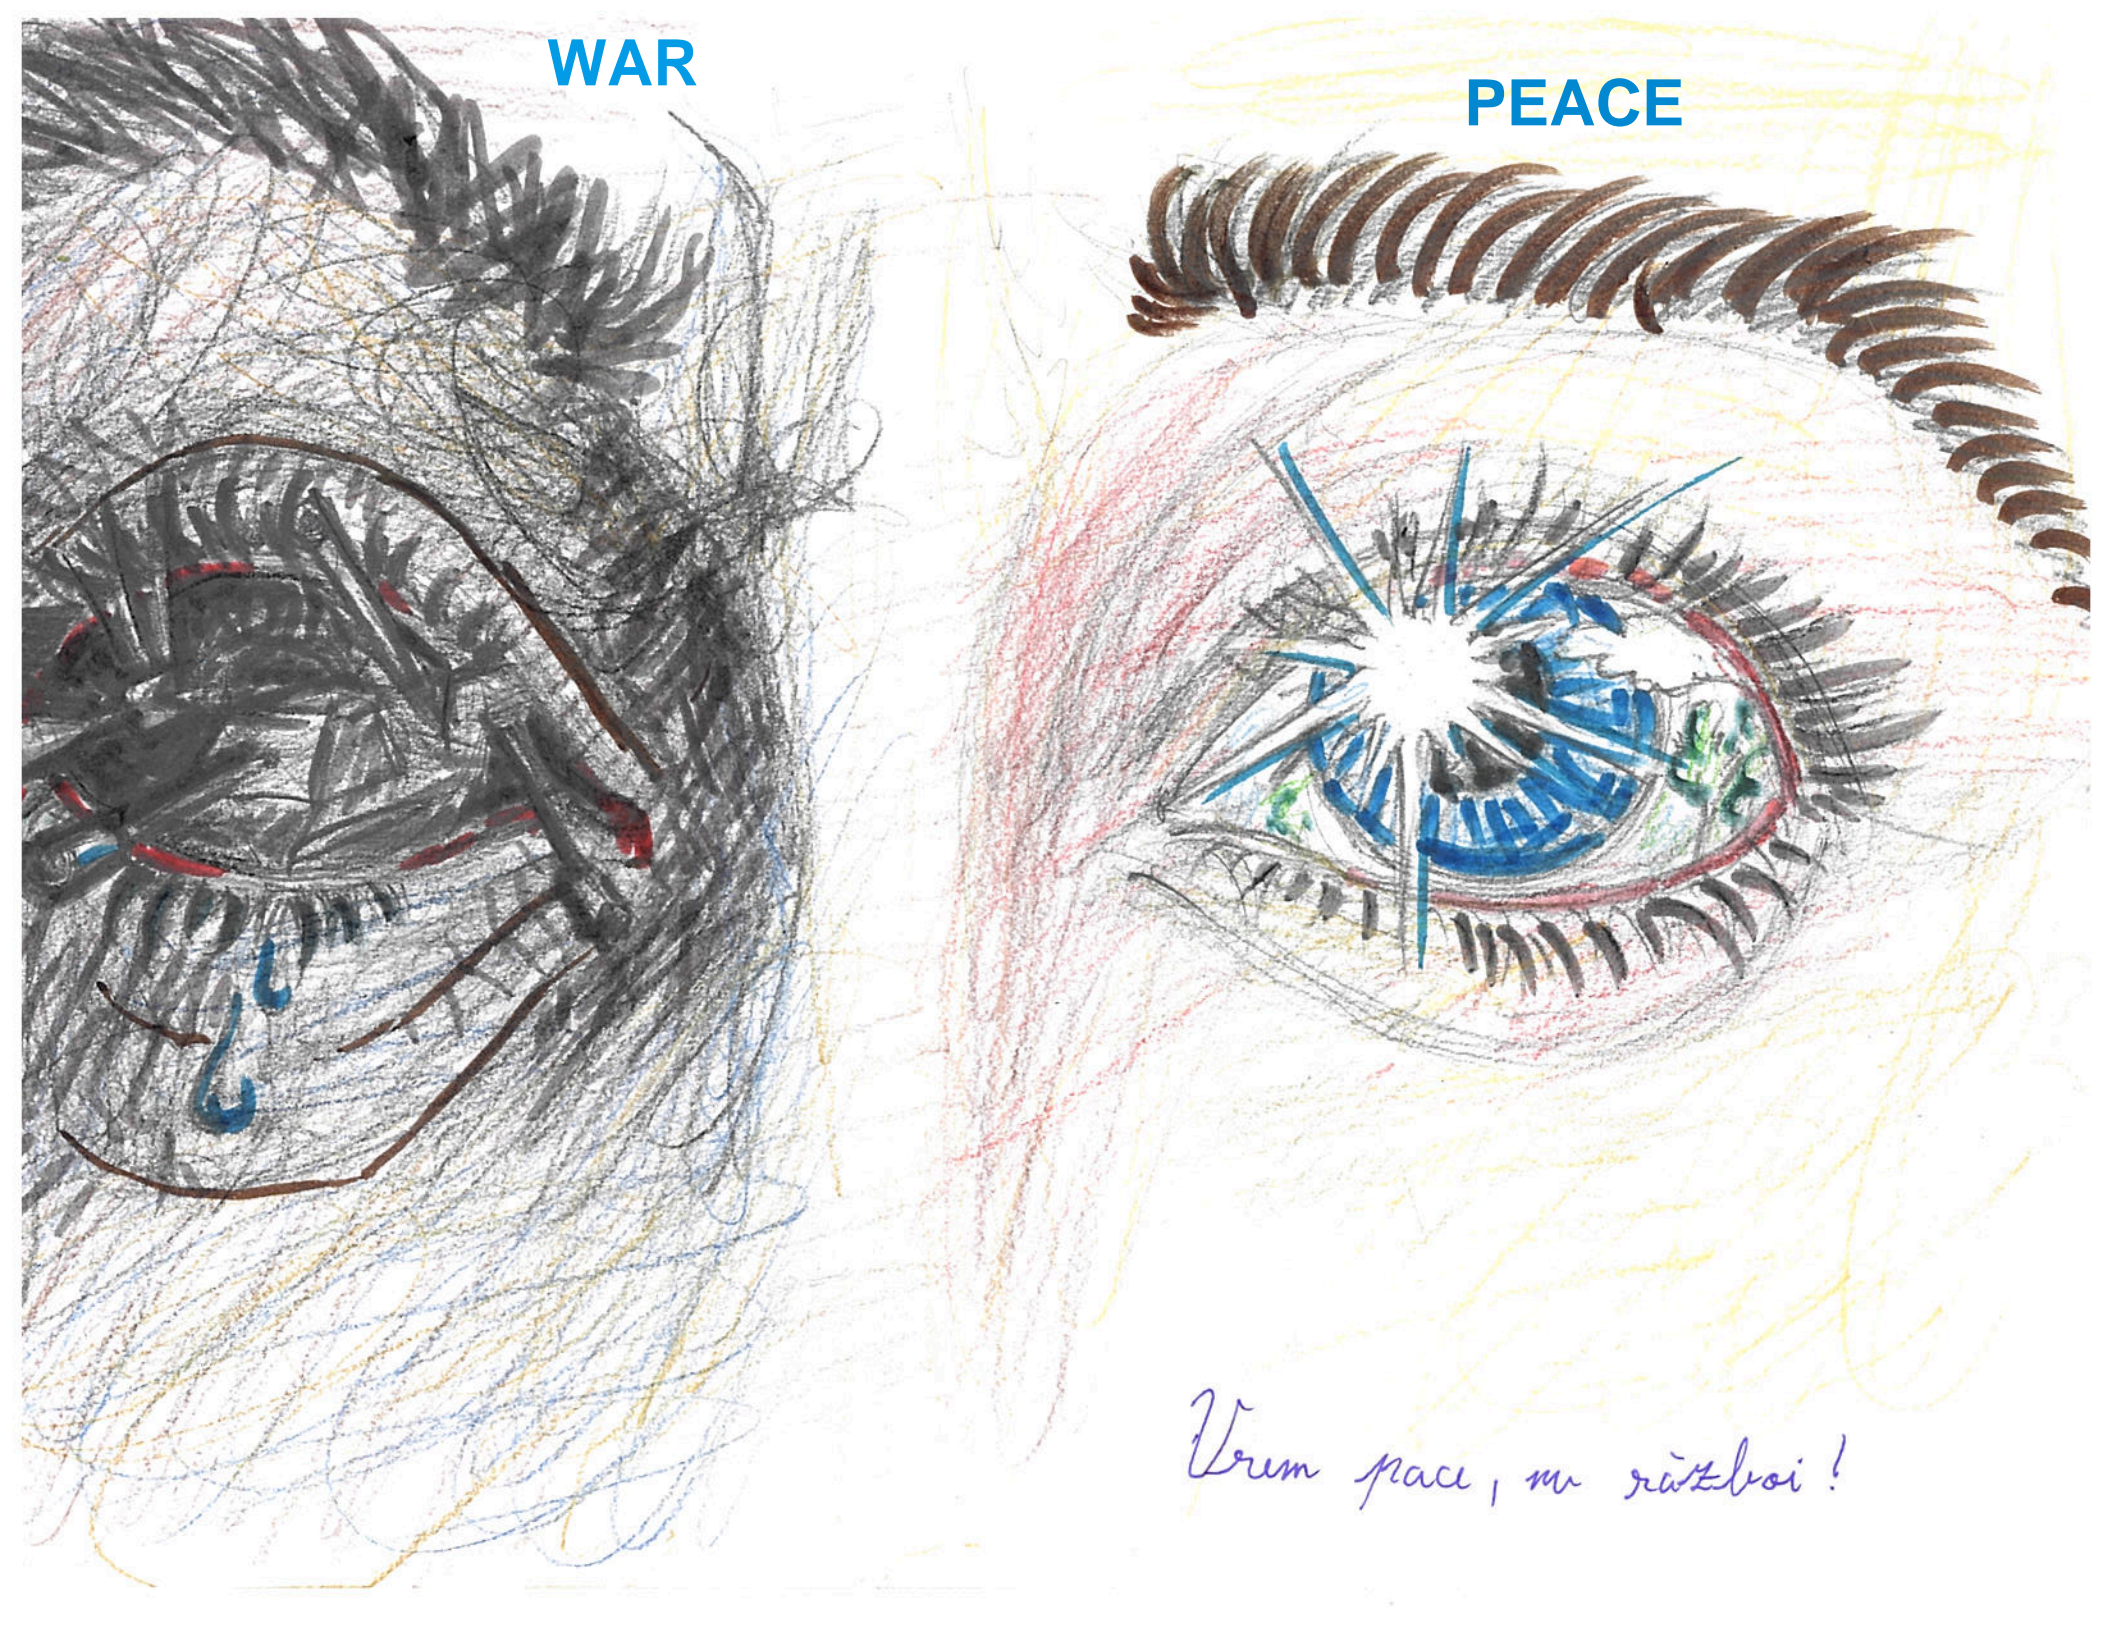

Regards, Iulian
